THRIVE MEMORY CARE AT THE SENECA

Unparalleled care. A uniquely fulfilling lifestyle.

In Rockville, Maryland, there's a Memory Care experience unlike any other. A place where residents lead rewarding, enriching lives filled with engaging activities. A setting where the expert care always includes empathy. A true community where luxury and wellness come together.

This is Thrive Memory Care at The Seneca—where the possibilities for residents are truly endless.

Contemporary, comfortable residences

The Seneca's 30 private and semi-private suites on our Memory Care floor are designed to be both refined and familiar, providing the luxuries of a boutique hotel with the comforts of home. Even favorite snacks are always on hand, thanks to our Pantry Program. Offering expansive common areas and living rooms, as well as advanced technology for convenience, this is a place for more than everyday enjoyment—because here, the amenities and benefits go well beyond the everyday.

Thoughtful, custom care

The experience begins with our “Nayas,” who are named after the ancient Sanskrit word for “guide” or “person of wisdom.” With a profound understanding of our Thrive Memory Care approach, our Nayas create deep connections with each resident to provide a deeper, more customized level of care within a loving, nurturing environment.

Elevated in every way.

Upscale amenities and enriching experiences are bountiful at The Seneca, allowing residents to thrive. For our Memory Care residents, we have additional specialized programs and services to ensure they feel right at home.
